SUCCESSFUL ACCREDITATION OF THE STUDY PROGRAMMES IN THE CLUSTER “CULTURAL SCIENCE III”

Dear Professor Widodo, dear honourable Rector,

I am pleased to attach to this letter the certificates for the successful accreditation of the study programmes in “**Anthropology**” (**Bachelor**) and “**Fine Arts**” (**Bachelor**). Attached you will also find the final report on the accreditation.

The study programmes essentially comply with the requirements defined by the criteria and thus the Standards and Guidelines for Quality Assurance in the European Higher Education Area (ESG) and the European Qualifications Framework (EQF) in their current version.

The accreditation is conditional and limited in time until **31 March 2029** and the conditions have to be fulfilled before **31 March 2024**.

The experts and the AQAS Commission gave recommendations to further improve the programmes. Contrary to the conditions, the university is not compelled to follow the recommendations. In case of a reaccreditation by AQAS, we will, however, assess whether and how the university has used the recommendations to further develop the programmes.

The enclosed experts' report will also be shared with the expert group. Furthermore, AQAS will publish it on its webpage (www.aqas.de) and also register the programmes in the European database of accredited programmes DEQAR (www.deqar.eu). AQAS provides a digital logo for successfully accredited programmes which may be used by the university for marketing purposes. You will find the logo in the download section of our website.

Dear Professor Widodo, let me use this opportunity to thank you for the trust you have placed in AQAS and the good cooperation in this successful procedure. I look forward to our potential future cooperation.

Yours sincerely

Vi Le

Consultant for International Accreditation
